

March 1, 2023

The California Department of Public Health (CDPH) has posted immunization rates for kindergarteners reported in the 2020-22 school years. As in previous years, the information includes a:

- Summary kindergarten report
- List of rates reported by each school
- [Searchable map of rates by school for 2021-22 data](#)

Immunization data for 7th graders and children in child care facilities will follow this summer.

Thank you for your assistance in reporting immunization information each school year.
