

CALIFORNIA DEPARTMENT OF PUBLIC HEALTH INTERNSHIP

CDPH offers three internship cohorts per year to help develop and inspire the next generation of public health professionals. Be a part of our vision to protect and improve the health of all Californians and find out what it takes to be a public health hero. Apply today!

HOW TO APPLY

1

UEI APPLICATION

Create your University Enterprises Inc. (UEI) account and submit *all* requirements. Only complete applications will be considered.

2

SUPPLEMENTAL APPLICATION

Follow the supplemental application link located in the UEI job description and complete all the survey questions.

3

SHORT ESSAY QUESTION

Address the question in the supplemental application with detailed information about yourself, your experience and your passion for public health.

WHO IS ELIGIBLE TO APPLY

Students enrolled in an affiliated college or university, reside in California, and who are eligible to work may apply*. Enrollment in a minimum of 6 units is required during the spring and fall cohorts. Enrollment is not required during the summer cohort. Internships are available to both graduate and undergraduate students studying a subject related to public health, data science, or information technology.

**For more information, contact the Internship Program Team
at CDPHInternships@cdph.ca.gov**

**DACA and international students are eligible to apply.*
