Provider Communication

Important Archiving Update

Starting October 2025, CDPH must limit archiving some items on the [EZIZ](#) website due to reduced staff capacity.

CDPH will remove and discontinue archiving most:

- EZIZ email listserv communications
- Provider webinars slide decks and recordings

CDPH will continue to publish and archive:

- Key program updates (program letters, health alerts) on [EZIZ](#).
- Key email listserv communications on [EZIZ](#).

Thank you for your patience and we apologize for any inconvenience this change may cause.
