Prepare for 2025-26 TK/K Enrollment

As your school prepares for 2025-26 TK/K enrollment, make sure you have resources to help incoming students meet immunization requirements.

Strategies to Consider:

- Review this [free online training for school staff on immunization requirements](#).
 - Make sure you have the [Guide to Immunization Requirements](#) and the [California Immunization Handbook](#) (Blue Book) on hand.
 - Visit the [CDPH Shots for School website](#) for more implementation tools.
- Request immunization records from families of all incoming TK/K students; let them know that immunization requirements must be met before the start of school.
 - Inform them that they can request access to their student's [Digital Vaccine Record](#) to share as proof of immunization.
 - Share the [Parents' Guide to Immunizations Required for School Entry](#) | [Spanish](#) | [Arabic](#) | [Armenian](#) | [Cambodian](#) | [Chinese \(Simplified\)](#) | [Farsi](#) | [Hindi](#) | [Hmong](#) | [Korean](#) | [Punjabi](#) | [Russian](#) | [Tagalog](#) | [Ukrainian](#) | [Vietnamese](#).

- Staff can use the School and Child Care Roster Lookup ([SCRL](#)) to determine which students are up to date, conditional, or overdue for required immunizations.
 - Once you have assessed students' records, use these templates to let families know which additional shots their student's need, if any: [Letter to Parents: Immunizations Needed](#) | [Spanish](#) | [Arabic](#) | [Armenian](#) | [Cambodian](#) | [Chinese \(Simplified\)](#) | [Farsi](#) | [Hindi](#) | [Hmong](#) | [Japanese](#) | [Korean](#) | [Punjabi](#) | [Russian](#) | [Thai](#) | [Tagalog](#) | [Ukrainian](#) | [Vietnamese](#).

Thank you for protecting the health of your students!
