Product Code	00136
GTIN	90637876001362
Description	The delicate curds of Grande's Ricotta Prima Dolce® are reminiscent of the traditional hand-dipped ricotta made in the Italian countryside. Prima Dolce® is delightful in any application or as a memorable dessert served with slices of fresh fruit or a sprinkle of cinnamon-sugar.
Ingredients	Sweet whey, whole milk, sweet cream, culture, vinegar and salt
Storage & Handling	Reclosable container (tub). Keep cheese refrigerated under 37°F. When storing, the cheese container should remain upright to allow the whey to naturally drain to the bottom of the basket.
Preparation	Before opening container, always check the "Best If Used By" expiration date on the container to make sure this delicate cheese has been properly rotated and is at its peak performance level before using. When ready to use, remove basket from container. Invert cheese onto a clean flat surface or into bowl, carefully lift basket up and use only clean utensils to serve.

INGREDIENTS: Cultured pasteurized milk, cheese culture, salt, enzymes

Product Code 00152

GTIN 90637876001522

Description Grande Avorio® Fresh Mozzarella Loaf has a clean dairy flavor and tender, delicate texture. All natural and free of additives like titanium dioxide, Avorio® has a natural white color. To make back of house prep simple, this cheese is not packed in brine, so no need to drain prior to baking. Great for Grandma, Brooklyn and other specialty pizzas and can elevate sandwiches, appetizers and more.

Ingredients Cultured pasteurized milk, cheese culture, salt, enzymes

Storage & Handling For best performance, keep refrigerated under 37°F. Make sure cheese is being properly rotated to meet "Best If Used By" date to ensure optimum performance.

Preparation Before opening, always check the "Best If Used By" date on the package prior to use to ensure proper rotation of product in the cooler. Prepped cheese should be kept cold and not allowed to sit at room temperature for extended periods of time. Always keep covered and refrigerate when possible.

Shelf Life For best results, use within Best If Used By date on package.

INGREDIENTS: SWEET CREAM, CULTURED PASTEURIZED MILK, SEA SALT, ENZYMES

Product Code 00167

GTIN 10637876001670

Description Grande Stracciatella is a rich mixture of sweet cream and tender strands of Fresh Mozzarella, accented with a touch of sea salt, just like the center of Burrata. This cheese can best be described as rich and indulgent, with a light and fresh sweet cream flavor.

Ingredients SWEET CREAM, CULTURED PASTEURIZED MILK, SEA SALT, ENZYMES

Storage & Handling Keep refrigerated under 37 degrees until ready to use. Do not let cheese sit out at room temperature for extended periods of time before prepping. Make sure cheese is being properly rotated to meet "Best If Used By" date to ensure optimum performance.

Preparation Before opening container, always check the "Best If Used By" expiration date on the container to make sure this delicate cheese has been properly rotated and is at its peak performance level before using. Gently stir before use. Only use clean utensils to remove cheese from container and store in this resealable container.

00174-Grande Fresh Curd Approx. 20lb

Product Code	00174
UPC Code	637876001744
GTIN	90637876001744
Description	Grande Fresh Curd is ideal for operators who prefer to make their own fresh mozzarella. This full-cream mozzarella curd provides exceptional flavor and mouthfeel. Grande Fresh Curd is all natural - without any preservatives, filler or artificial ingredients.
Ingredients	Pasteurized milk, cream, vinegar, and enzymes
Storage & Handling	Refrigerate under 37°, but do not freeze. Always keep product covered with cold water or mild brine. Always use clean utensils, preferably a slotted spoon or tongs. Never use hands to serve product.
Preparation	Sanitize your hands and work station before removing product from package. Place desired amount of curd into stainless steel bowl. Break curd into very small pieces by hand or with knife. If desired, sprinkle with salt to taste and mix. Pour hot water(170°-180°F) over the curd, enough to cover. Allow the curd to heat up for about one minute before working. Gather into a small mass, until the pieces begin to stick together. Drain off some of the hot water. Exchange or add additional hot water to cover the curd. Work the curd into a soft mass with a paddle or tongs. When strings can be formed and the curd can be stretched smoothly, it is ready to work. Work into desired shapes. If the curd begins to harden, add a bit more hot water to reheat. Place finished pieces in a bucket of cold running water to cool down for at least 10 minutes. Transfer to a storage container with a tight fitting lid. Keep the finished products covered in a light brine solution (1Tbsp. fine sea salt dissolved in 1/2 gallon cold water). Cool products to an interior temperature of 36° F before using.

Description	Provo•Nello is Grande’s registered name for this Provolone. “Nello” of Italian derivation meaning “smaller” reflects the smaller diameter of this traditional, robust Provolone. Provo•Nello was created specifically for ease of handling and consistency back of house. Provo•Nello has a 3 7/8” diameter and each package contains 40 slices, separated by parchment sheets, to eliminate labor and ensure consistent portion sizes to manage costs. Each slice is approximately 0.60 oz.
Ingredients	Pasteurized milk, cheese culture, salt, enzymes
Storage & Handling	For best performance, keep refrigerated under 42°F. Product should not be frozen. Make sure cheese is being properly rotated to meet "Best If Used By" date.
