

Construction Commercial Lines Market Clout

Options and expertise— it's that simple. Due to our size, we possess industry market clout which enables us to work directly with many leading insurance carriers to provide you with a range of coverage options and solutions for your business. These valuable relationships, both cross-border and locally, allow us to negotiate the best combination of price and value on your behalf.

We know your business — and how to lay a foundation for your success.

- HUB brokers nearly \$2.53 Billion of commercial insurance premium
- We serve nearly 41,000 construction & construction surety customers
- We manage nearly 131,000 insurance policies
- We represent over 200 insurers who write business in this industry
