

BY YOU FOR YOU

2026 CEE NATIONAL MEETING

RAISE YOUR SIGHTS ON THE LOWCOUNTRY

THANK YOU for registering for the 2026 Certified Energy Expert® National Meeting! Dubbed "America's Favorite Island," Hilton Head is known for its tranquil twelve-mile stretch of scenic sandy coastline. Whether you are a sports enthusiast, nature lover, beachgoer, or history buff, there is no shortage of things to do in South Carolina's Lowcountry.

Just steps away from the shoreline, the Hilton Beachfront Resort and Spa provides a picturesque setting for this year's annual meeting. Along with the blend of sessions, events, and networking time we have planned, you'll have the chance to immerse yourself in the Lowcountry lifestyle, play some golf, explore, and much more — with stunning views and great company.

AVERAGE APRIL TEMP: HIGH 76° | LOW 54°
EASTERN TIME ZONE

BY YOU FOR YOU

We chose this year's theme "By You | For You" to recognize the efforts of you, our CEE members. You helped craft the program from its beginning, and you continue to elevate it. With this in mind, we have planned this event using your feedback to make our time together truly beneficial for YOU and your business. We are bringing together the best-of-the-best in the business to discuss the latest industry developments, share best practices, and leave with actionable strategies to advance in the market.

Many members voiced a desire to bring their significant others to this event, and we listened. We're excited to welcome these new attendees! We've created this guide to help you prepare for your upcoming journey. Please review and keep it nearby so you have the information you need to make the most of your experience.

Sincerely,
The Owens Corning
CEE Team

Stephanie Tolbert

- Pillowtop mattresses and plush bedding
- Mini-fridge
- Coffee maker
- Smart TV with streaming entertainment
- In-room safe
- Hair dryer and bathroom amenities
- Balcony

Please note that this is a smoke-free facility.

STAY (TURTLE) TUNED

Every year, Hilton Head Island becomes a sanctuary for sea turtles, including endangered Atlantic Loggerhead Sea Turtles, as they lay their eggs. Nesting first starts when water temperatures reach 70 degrees, which can be in late April, and ends in October.

As visitors to Hilton Head Island, it's important that we do our part to ensure the safety and preservation of these magnificent creatures. Please keep these guidelines in mind throughout your stay.

- **Limit Noise:** Turtles are highly sensitive and easily disturbed. So, be mindful to maintain a quiet and calm environment at night, and observe "quiet hours" after 10 p.m.
- **Lights Out:** Artificial lighting can disorient and confuse the turtles. If facing the beach, turn off any outside lights and close your blinds between 10 p.m. and 6 a.m. If outdoors, do not use a flashlight during this timeframe. Only use a red light beam if light is needed.
- **No Disturbances:** Visitors must keep a respectful distance from the nesting turtles and avoid touching or interfering with their nesting process.
- **Tidy Up:** Chairs, umbrellas, and other beach items should be set up in designated areas only. Always be mindful of the marked-off areas, and don't leave any trash or food on the beach.

- Never leave personal items unattended
- Place all valuables in the guest room safe or in a hotel safe deposit box
- Don't answer the door in a guest room without verifying who it is
- If a person claims to be an employee, call the Front Desk and verify the reason for their visit
- When returning to your hotel late in the evening, use the main entrance
- Be observant and look around before entering parking lots
- Close the door securely whenever you are in your room and lock the door
- Don't display guest room keys in public or leave them on restaurant tables or at the swimming pool; they might be stolen
- Don't draw attention to yourself by displaying large amounts of cash or expensive jewelry
- Don't invite strangers to your room
- Don't leave valuables in your vehicle
- Check to see that any sliding glass doors or windows and any connecting room doors are locked
- If you see any suspicious activity, please report your observations to hotel management

HILTON BEACHFRONT RESORT AND SPA
SAFETY GUIDELINES & PROCEDURES

- In case of an emergency, please dial 911 or 0 and follow instructions.
- In case of extreme weather, the hotel will issue a statement or alert to direct guests to the proper location for safety.
- Each guest room is designated with a map of the closest staircase in case of an emergency exit.
- Locate the closest emergency exit and familiarize yourself with the safety route upon arrival.
- In case of a power outage, don't try to use the elevators.
- Fire extinguishers are located on every floor at the vending area.
- AED Devices are located at the Front Desk and all Food and Beverage Outlets.
