A COMPLETE SUPPORT STRUCTURE FOR MGA'S AND COVERHOLDERS

COVERHOLDER360

This is our proprietary data insight and interrogation tool. We upload risk placement and claims bordereau into our data store. Data is automatically configured into a personalised dashboard giving us, and our clients, the ability to view, search, and create visual reports and graphs to demonstrate and present portfolio performance.

Coverholder360 is entirely compatible with – and enhances the functionality provided by – DA SATS.

- Access anywhere – simple user interface through web portal.
- Instant manipulation of claims and risk data.
- Underwriting insight.
- Personalised reporting.

PLACEMENT EXPERTISE

Our broking team combines extensive experience of cross-class and cross-border placements with a deep understanding of the evolving MGA and coverholder market.

With over 80 strategic global market relationships and access to the full range of Lloyd's of London Managing Agents and European carriers, our market reach is vast. This is backed by a dedicated team of binding authority contract specialists ensuring that our clients benefit from the application of highly trained specialists at each stage of the contract lifecycle.
