Delta FS: Financial lines insurance for financial services firms

Delta is a suite of financial lines insurance solutions exclusively developed by Marsh Risk for our financial services clients.

Coverage is provided on the basis of our proprietary financial services industry wordings with numerous features designed to provide comprehensive, reliable, and flexible risk transfer, whilst at the same time aiming to deliver competitive prices.

Streamlined process

- Short-form, industry-specific questionnaires.
- Future renewals only require a “no material changes/claims declaration” and a copy of the expiring submission.

Premium savings

- Pre-agreed long-term agreement (LTA), with a 5% discount at the next/2027 renewal, subject to parameters of the LTA being met.

Simplified claims handling

- Maximum of three claims agreement parties.

Enhanced protection

- Clear and easy to understand policies covering key regulatory exposures.
- New Delta FS wordings.
- Peace of mind difference in conditions endorsement as standard meaning any broader cover in your expiring policy is incorporated.

Trusted insurer partners

- Panel of 9 carefully selected insurers.
- Provides stability if one or more insurers changes appetite, rather than worrying about who will write your insurance moving forwards.

Marsh have developed Delta FS with clients front and centre of our thoughts, focusing on making the insurance process as pain free as possible, with three words at the core: **Simplicity, stability, and savings.**
